Scout Shirt Orders!

Time to order class B uniforms for Troop 62. These vibrant orange shirts have our troop logo on the back. Great way to see where all the scouts are and help our troop stand head and shoulders above the rest!

We now have sweatshirts available. I only need a total of 12 shirts (T-shirts and sweatshirts combined) to place an order and get the best price.

Order forms and payment is due at April 4 troop meeting to (hopefully) get them in time for the April campout. Please include size (and whether it is youth or adult) on the order form. Checks can be made to "Troop 62" with "shirt order" in memo line. Orders go to either Teresa Sauer or Lynda Lindgren (or our respective scouts Aaron or Josh).
